Sexual Assault Prevention and Response Program (SAPR)

PREVENTING SEXUAL ASSAULT IS EVERYONE'S DUTY!

The Sexual Assault Prevention and Response Program (SAPR) empowers Marines and Sailors to end sexual assault by providing practical tools to intervene before sexual assaults occur.

SAPR also provides resources for sexual assault victims. After an assault, victims are encouraged to contact a Uniform Victim Advocate (UVA) or civilian advocate for support, information, and to make the decision between restricted and unrestricted reporting.

The SAPR program only applies to military victims sexually assaulted in a non-domestic situation (e.g.: a Marine sexually assaulted by Service member, friend, civilian, or stranger). Marines assaulted by someone they have a domestic relationship with (e.g. spouse, father/mother of their child, live in boyfriend/girlfriend) are not covered under the SAPR program. The domestic violence sexual assault victim is covered under Marine & Family Services (M&FS) domestic violence policy.

If you've been sexually assaulted and have questions about whether or not you can receive services, call the Sexual Assault Hotline at (928) 941-3650.
